

Amacanda Copper in Heavy Demand as New Shares Appear

STEEL AND MOTOR SHARES ADVANCE

The Leads Speculative Rails with Two-Point Jump

N. Y. C. HIGHER

Steel Recovers Two Points; Independent Stocks Forced Down

NEW YORK, March 6.—The copper stocks and a few of the speculative favorites pushed ahead enthusiastically in the first hour of the day today as the nervousness over supply and demand for steel subsided.

There was a heavy demand for the old steel, and the price of the old steel was ready to sell in the market for the first time in several days.

The copper stocks also pushed forward and a number of the railroad shares took up the advance at the point where yesterday's 10 per cent money rate had called a sudden halt.

There was a heavy demand for the old steel, and the price of the old steel was ready to sell in the market for the first time in several days.

NEW YORK, March 6.—The copper stocks and a few of the speculative favorites pushed ahead enthusiastically in the first hour of the day today as the nervousness over supply and demand for steel subsided.

There was a heavy demand for the old steel, and the price of the old steel was ready to sell in the market for the first time in several days.

The copper stocks also pushed forward and a number of the railroad shares took up the advance at the point where yesterday's 10 per cent money rate had called a sudden halt.

WOMAN AUTO DRIVER ASSESSED \$200 FINE

Suspension of License for Year Added as Penalty in Local Court

Mrs. Marge Lyons, 615 North State St., was fined \$200 and her license suspended for a year when she pleaded guilty to a charge of operating an automobile while intoxicated.

DEFENDANT GIVEN VERDICT BY JURY

Decision in McCombs Landers Damage Action Returned in Local Court

A verdict for the defendant was returned by a jury in a damage action yesterday in the \$2,000 damage suit brought by Elmer McCombs against David Landers. The jury was out an hour.

Mrs. McCombs brought suit on David Landers' life insurance policy for the result of an automobile collision in the city of Marion, Ohio, on October 11, 1926. The accident occurred last March.

The law firm of Messrs. Tamm, Mosser & Wiant represented Mrs. McCombs, the plaintiff, and the defendant was represented by the law firm of Carhart & Warner.

Partition Asked
Suit for partition of real estate in 200 township has been filed in common pleas court by Ray H. Hedding against Rex E. Hedding, and other plaintiffs represented by Attorney J. H. Williams.

Wills Filed
Wills of Willis Hipsley and John Hill have been filed in probate court.

GIRL RESERVES MEET
The Vernon Heights Girl Reserve met yesterday afternoon to conduct a regular meeting. The program opened with a song. Followed by a reading by Grace Allen, four papers were read for knowledge by Katherine Schuler.

SALE OF CHATELLE
By virtue of a chattel mortgage executed and docketed by J. H. Williams on October 10, 1926, and assigned to The Advance Loan & Discount Company of Marion, Ohio, on October 11, 1926, and with the Recorder of Marion County, Ohio, at 10 o'clock P. M. on October 11, 1926, the same being the Number 12, and on which default has been made and which by the terms thereof is immediately due and payable in full, the undersigned will sell the goods and chattels conveyed by said mortgage to wit:

One (1) 1925 Model Ford Standard Coupe, Motor No. 1438, at public auction at the Marion County Jail, at 10 o'clock P. M. on Saturday, March 18, 1928.

LEGAL NOTICE
Notice is hereby given that the following accounts have been filed in the Probate Court within and for the County of Marion, State of Ohio, for settlement and said accounts will be for hearing on Tuesday, April 2nd, 1928.

WOULD FREE 7

Lawyer Attacks Ordinance
Setting Liquor Law Fines

MAIN, March 6—Habeas corpus petitions to free seven long-term prisoners, now serving out their sentences in the city jail, were filed in common pleas court by Attorney R. W. Wadsworth.

The petitioners claim the present city ordinance, under which they are confined in municipal court here, is unconstitutional.

Wadsworth asked the decision of the supreme court of Clinton county, which recently ruled that a city ordinance that provides liquor fines in excess of \$500 is illegal. The Clinton ordinance sets a maximum fine of \$1,000 for first offense of the liquor laws.

HENRY T. BICKLEY DEAD

SANDUSKY, March 6—Henry T. Bickley, 61, president of the Schacht Fish Co., is dead at his home here of heart disease. He will be buried Friday afternoon. Bickley was a veteran in commercial fishing in the western Lake Erie region. He had been at the head of the Schacht Co. about 23 years.

OPENS NAVIGATION

Oil Burner Breaks Ice, Reaches Kelleys Island

SANDUSKY, March 6—Capt. John Newman's little oil burner Masco, of Sandusky, opened navigation to Kelleys Island out of this port yesterday.

After bucking itself out of the winter quarters in which it had been frozen since before Christmas, the Masco plowed through thin ice to Lake Erie's open water, three miles away.

Once in the lake, no ice of any consequence was encountered until Kelleys Island was reached. There a twelve-inch thickness had to be crushed before the Masco could be decoupled.

Captain Newman will try tomorrow to reach Put-in-Bay from Kelleys Island. There is considerable ice in the ten-mile expanse between the two islands.

TWO QUIT AT ALLIANCE

ALLIANCE, March 6—Receiving a consideration of \$500 from home trustees for loss of salary, Mr. and Mrs. R. B. Barber today resigned as superintendent and matron of the Fairmont Children's home here. The two were dismissed by home trustees last month but appealed to the Ohio Civil Service commission for a hearing. The case was halted Saturday, when the Barbers agreed to resign, following a conference of attorneys.

HEADS GENEVA C. OF C.

GENEVA, March 6—R. L. Clark, assistant manager of the steam fitting department of the Strong, Carlisle & Harmon Co., Cleveland, was elected president of the Geneva Chapter of Commerce here. Clark commutes between Cleveland and Geneva.

BURNS KILL MOTHER

NEWARK, March 6—Mrs. Benjamin Young, 28, died tonight at the hospital from burns suffered when a coal oil can exploded in her hands and showered her with flaming oil when she poured oil into a cookstove at her home in Appleton, near here Friday. She leaves her husband and four small children.

For those who find that a complete change of scenery is part, and a pleasant part, of the adventure of travel, France offers a double attraction. In each section of the country its diaries are varied and characteristic, but not more so than its wines.

MILKMAN SAVES 5

Rescues Year-Old Baby from Blazing Toledo Home

TOLEDO, March 6—A milkman, making his rounds saved a family of five from a blazing house.

Charles Satterman, the dairy driver, found on the doors and around John Siskus, the father.

The milkman carried out Daniel, year-old son of Siskus, Mrs. Siskus and her sons, George, 12, and John, 9, made their way with difficulty through the smoke-filled rooms.

MERGER ASSURED

Twenty Eastern Ohio Concerns Are Involved in Deal

EAST LIVERPOOL, March 6—Merger of 20 Eastern Ohio pottery concerns, including two East Liverpool factories, is assured, it was announced here today by representatives of the American Dinner Ware Corp. Formal details of the consolidation, together with the names of all plants involved, will be revealed within the next two or three weeks, it was said. According to reports, main offices

of the combine are to be established in Sebring, O. The Sebring plants are among those included in the merger. Attorney W. R. Stewart, Cleveland, is chairman of the board of directors of the corporation.

What a Manly Young Man

He Surely Is—But 6 Months Ago He Was a Weakling

Young, skinny, run-down men who want to regain their manliness and cast off that shy feeling of inferiority are advised to start right in today and put their faith in McCoy's Tablets.

Thousands of Doctors prescribe the same formula for just such weakness yet any frail young man can go to Henney & Cooper or any drugstore anywhere in America and get 60 McCoy's Tablets for 60 cents—and here's something else—if after taking them for 30 days you are not satisfied with results—money back—Adv.

TIFFIN AIRPORT EXPANDED (port on today to add to the 1,550 acres were also made by the company. Tiffin, March 6—A tract of 16 acres was acquired by the Tiffin Air flying school to instruct amateur pilots employed as airport director.

A Testimonial from
PRESIDENT HOOVER

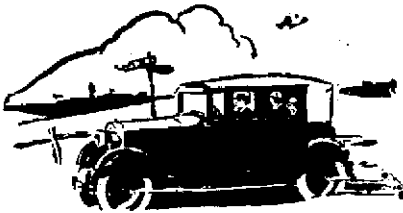

Herbert Hoover is a strong advocate of the savings and loan movement. Recently he said:

"The ideal of American civilization would be a nation housed in detached homes, in open spaces, and that ideal has been brought much more nearly possible through the efforts of our savings and loan companies. They are the greatest agency in the promotion of home ownership in America."

INAUGURATE a plan whereby you will become a home owner. We have helped hundreds to live in "detached homes, in open spaces." Let us help you to be a home owner.

Tires for the new Ford
are specially made
to give long wear

WHEN the new Ford was designed, it was immediately apparent that a new tire would have to be made to match the car's performance. It was distinctly a new problem, for here was a car with quicker acceleration, greater speed and more braking efficiency than any car of similar size or weight.

So that every Ford owner might be assured of maximum tire mileage at the lowest cost, the Ford Motor Company devoted many months to research and experiment in conjunction with the leading tire manufacturers.

As a result, certain definite specifications were developed for tires for the new Ford. These specify cords of certain strength and texture, a large volume of tread and side-wall rubber, sturdy non-skid design, and reinforced plies for protection against bruise breaks—all the strong features of construction formerly considered for only the largest tires.

Great care also was taken to secure the best riding qualities in connection with the transverse springs and Houdaille shock absorbers used on the new Ford.

Though the Ford tires are 30 x 4.50 in size, they have the resiliency and air space of much larger tires because of the drop center rim of the steel spoke wheels.

Another unusual feature of the new Ford tires is the provision for balancing the tire assembly. Every tire is marked on the sidewall with a red spot to show where the valve stem should be when the tube is inserted. This is just a little thing, but it assures a uniformly high standard of tire performance at all speeds.

For best results, the tires on the new Ford should be kept inflated to an air pressure of 35 pounds and checked regularly to insure this pressure all the time. This is important. Low inflation breaks down the side-walls of a tire. By causing overheating, it also destroys the rubber that acts as an insulation, with consequent separation of the cord.

At the end of each 5000 miles, when you have the front wheels packed with grease, it is a good plan to have the wheel alignment checked. This will prevent the possibility of premature wear of the tires.

When punctures come, as they will with any tire, you will find the Ford dealer particularly well-equipped to make repairs quickly and at small cost. See him, too, for replacements. Then you will be sure of getting tires built specially for the Ford car according to definite Ford specifications.

The art of serving foodstuffs

SERVING is the art of dispensing appetizing palatable foods and beverages in pleasant surroundings by a smiling alert dispenser or waitress to the noble satisfaction of the customer.

Where in the world in this district can you get better service, cheerful attendance, better palatable and more appetizing foods than at THE R. S.? Is it lack of environment? Unoubtedly, (generally speaking) in the Confectionary line. With those delicious light lunches, ICE-CREAMS supreme.

If you are featuring non St. Patrick Candiés, noëties, tall assortment of quality candies reasonably priced.

Miss Tangle in a cafe au lait frock is fashioned with a deep, bell collar and is emblaz with a white rose and gold design. The fitted piano group opens with a Wedding Day at Tangle and get a quantity

With its Body by Fisher, the Sedan Delivery combines passenger car smartness with sturdy, dependable, economical performance. F.o.b. factory, Flint, Michigan (Spartan extra) **\$595**

CROWDED traffic conditions today demand six-cylinder performance—with its greater flexibility, greater reserve power, higher speed and swifter acceleration. And now!—for the first time in commercial car history—this desirable six-cylinder performance has been made available with the economy of the four. For the new six-cylinder Chevrolet trucks are not only offered in the price range of the four—but they are as economical to operate as their famous four-cylinder predecessors! Both the Light Delivery and the 1½ Ton Utility Chassis are available with an unusually wide selection of body types—and among them is one exactly suited to your requirements. Come in today! We'll gladly arrange a trial load demonstration—load the truck as you would load it, and drive it over the roads your truck must travel in a regular day's work.

Low Mischievous Lily Langtry Lost The British Crown-Perhaps

By DAVID P. SENTNER
Copyright, 1929, by D. P. S. S.
March 6—Who said
"Lily Langtry is a mischievous
girl?" and not at all for
her beauty, but for her
pranks, is a young girl of
24 years.
The history of her life, then,
is a record of mischief, and
the pursuit of adulation,
and the support of the enormous
fortune of her father, Madame
Cleopatra, Madame
Helen of Troy.

Lily's mischief-making
began when she was a
child, and from that time
onward she has been a
constant source of amusement
to her friends and family.
She has been a mischievous
girl, a girl who has been
a constant source of amusement
to her friends and family.

Lily's mischief-making
began when she was a
child, and from that time
onward she has been a
constant source of amusement
to her friends and family.
She has been a mischievous
girl, a girl who has been
a constant source of amusement
to her friends and family.

Lily's mischief-making
began when she was a
child, and from that time
onward she has been a
constant source of amusement
to her friends and family.
She has been a mischievous
girl, a girl who has been
a constant source of amusement
to her friends and family.

Lily's mischief-making
began when she was a
child, and from that time
onward she has been a
constant source of amusement
to her friends and family.

child, and from that time
onward she has been a
constant source of amusement
to her friends and family.
She has been a mischievous
girl, a girl who has been
a constant source of amusement
to her friends and family.

It was at a dinner attended by
princes and potentates and their
consorts. The wine flowed well and
the conversation ran riot and pretty
speeches were epidemic. Lily sat to
the right of the Prince of Wales and
everybody remarked what a striking
couple they presented.

Perhaps Lily was just feeling mischievous. Perhaps the Prince had
spoken a bit too freely.
"Your Highness has a fever," remarked Lily.

Whereupon she seized a generous
cupful of ice and slipped it down the
back of her admirer.
So goes the story—and so slipped
out of her palm the possible crown
of Britannia and all her possessions.

But to slip a hunk of ice down
the back of Britain's future king?
Of course it was less majestic. London
Tower is filled with the ghost of
cuts who even dared to look at a
king. Undoubtedly, if Lily had been
a foreigner, war would have been
declared immediately. At any rate,
even though not an international
episode it rates most vivid as a domestic
incident.

In time history will deal with it
weightily, thoroughly, and with dates
and appendix. But while waiting, the
story of the "Lily Langtry" brought fame
and fortune.

plated.

Everywhere in every way

**ESSEX the Challenger is put to the proof
...under official newspaper observers**

In Fast Getaway—no car is excepted.

In Speed—anything the road offers up to 70 miles an hour.

In Hill Climbing—the hardest hills in this community—
and in America.

In Reliability—60 miles an hour all day.

In Economy—better than 20 miles to the gallon.

IN THIS CITY under official
newspaper observation, Essex the
Challenger will demonstrate its right to
challenge the best that motordom offers.
It is dramatic revelation of an all
around quality Six—big, fast, roomy,
powerful—now available at the lowest
price for which Essex ever sold and but
little more than the cost of the smallest,
lightest and lowest priced cars on the
market. Watch the announcement of
results in this newspaper. And remem-

ber, as you see it out-perform, not only
all cars of its price class, but cars costing
twice as much, that exactly the same
performance ability, quality, economy
and riding ease are characteristic in the
Essex the Challenger which you buy.

And in Value—compare it part for
part in every quality particular of
appearance, finish, comfort and easy
riding to those costly cars in which
you pay the highest price for those
very things.

Kenton and Hardin County to Spend \$15,000 on Paving

PUBLIC SQUARE TO BE RESURFACED

Plans Call for Work To Be Started Early This Spring

TO SHARE EXPENSE

County in Charge of Work; City Will Pay Expense of Drainage

KENTON, March 6.—Work in drawing up plans and specifications for the resurfacing of the public square here is expected to be started this week as the result of a formal agreement entered into by the city council and the Hardin County Board of Commissioners Tuesday night. The proposed improvement will be completed at a cost of approximately \$15,000.

The county commissioners will have charge of the improvement work, with County Engineer Fred M. Gehring in charge of the plans and specifications. He will have the assistance of City Engineer Paul R. Strong and Service Director E. F. Gehring.

The agreement presented to and adopted by city council last night was drawn up by the board of commissioners. Under its terms the city and county will split 50-50 on the cost of resurfacing while the city is to bear all expenses incurred in arranging suitable proper drainage facilities about the square.

Hold Discussion
Upon approval of the plans and specifications and tentative costs by both the city and county, bids will be asked on probably all the different varieties of paving materials. It is hoped to get the work well under way by early spring. Two days or two weeks will be required in laying the pavement.

First steps in the resurfacing project were taken by city council late last year upon recommendations of Mayor W. J. Ochs who in a special message asked that the city enter into a contract with the county for the work. The city's portion of the cost will be borne out of proceeds from the tax sale.

There was considerable discussion last night relative to the drainage question. Some favored the removal of the sewer inlets from the corner of the square to a short distance back of the sidewalk crossing and the removal of the iron grates at the sidewalks. Others favored retaining the iron grates at the walks.

POET TALKS

Member of "Lost Battalion" Speaks at Kenton Dinner

KENTON, March 6.—L. E. McCollum of Columbus, "The Poet of the Lost Battalion," was greeted by more than 200 Kenton citizens last night when he appeared before the luncheon meeting of the Elks Dinner club in Elks home.

Club members and members of the Kiwanis club, Chamber of Commerce and the Kenton American Legion post, who brought him here, attended. During the course of his address, the World War veteran recounted some of the astonishing experiences of his company of the 7th Division which was lost in the Argonne offensive for six days and six nights.

Galion Entertainment Events Include Plays by Students and Guild Players

GALION, March 6.—Galion and county will not want for dramatic entertainment during the coming month, a schedule of listed events reveals. Until the close of school in late May, nearly every week presents some form of dramatic event either by students of the various classes of Galion high school or civic organizations.

Friday night the girls' physical education department under the direction of Miss Helen Mandeville, supervisor, will give their "Novelty Night" affair with many popular students and students composing the cast. Following the entertainment the Girl Reserve will sponsor a Hi-Links and circus in the school gymnasium.

Next week the attraction will be the annual junior class play and for this season the presentation is a dramatization of "Mary Rodgers" (Hilberth's story "Bab"). Mildred Hammond will appear in the title role.

The drama Workshop Players will give another play of their season's group April 12, when "Quintus Street" by James M. Barrie will be produced. Included in the cast are many popular members of the local theatrical group, Elizabeth Binnet, Josephine Vorhies, Helen Spangle, Kathryn Frank, Mary Bernard, Marguerite Modershead (Gleff), Annabelle Tiedeman (Pink), Harriet Wiseman, Arnold Meador, Robert Phlips, Theodore Schaeffer, Bill McFarquhar, Herbert Cohen and Maria Milligan.

Another play of the series will be given early in May and although the play for that date has not been chosen, "The Torchbearer" by George Kelly, "The Best People" by Dequand and "Camelot" by George Bernard Shaw, are being considered by the committee in charge.

The Show Folks of St. Patrick's Church are rehearsing a minstrel and novelty show which will be their next attraction and will be given in their own auditorium.

The senior class play which will probably close the season's dramatic work has not been selected but dates for it have been reserved during the final week of school, late in May. Mrs. Loren E. Beck will direct the junior and senior plays and the drama Workshop producers with Miss Ava Sanchez residing in the latter.

The freehand class will give a day early in April with Miss Doris Cook directing. "The Return of Prince Hal" is the play which has been chosen and rehearsals are already well under way for the first outdoor event of the class.

RADNOR CHURCH SOCIETIES ELECT

Reports for Year Given at All-Day Session of Baptist Groups

RADNOR, March 6.—Members of the Ladies' Mission circle and the Aid society of the Baptist church held their annual election of officers at an all-day meeting Friday at the church parlors. A "covered dish" dinner was served at the noon hour.

Mrs. E. H. Jones was named president of the Mission circle and Mrs. Newton Roush was chosen to head the Aid group. Other officers named by members of the circle were Mrs. D. T. Griffith, first vice president; Mrs. E. D. Griffith, second vice president; Mrs. James H. Thomas, Jr., secretary; Mrs. Newton Roush, assistant; Mrs. Edwin Reed, treasurer. Mrs. W. W. Fogle was chosen literary superintendent; Mrs. Arch Moore, assistant; Mrs. Tim Sullivan, chairman; Mrs. Grover Thomas and Mrs. Tim Sullivan, music committee; Mrs. Mary Davis and Mrs. Charles Goodman, flower committee; Mrs. Charles Goodman, secretary; Mrs. Arthur Darr and Mrs. Cary Roush, White Cross committee; Mrs. E. D. Jones, Mrs. Arch Moore and Mrs. John Anderson, prayer leaders.

Assisting Mrs. Roush in the Aid society will be Mrs. E. D. Griffith, first vice president; Mrs. Arthur Darr, second vice president; Mrs. W. W. Fogle, secretary; Mrs. John Anderson, assistant; and Mrs. Arthur Baxter, treasurer.

Mrs. William Griffith presided as devotional leader and reports for the year were presented by Mrs. John Robinson, secretary and Mrs. Edwin Reed, treasurer.

MORROW COUNTY TEACHER SUCCEUMBS

**B T Jenkins Succumbs at
Chester Home, Funeral
Today**

CARDINGTON March 6—B T Jenkins of Chester died Monday at his home following three years' illness with rheumatism and complications.

Until his retirement Mr Jenkins was a school teacher in the Morrow county schools and in a rural school in nearby counties. He was a graduate of Otterbein college in Westerville. He was born near Sparta and spent his entire life in and near Morrow county.

The deceased is survived by his wife, Mrs. Mary Jenkins and one brother, William Jenkins of Morrow. Funeral services were held this afternoon at the Baptist church in Chester with the Rev. D L Miller officiating. Burial was made in Maple cemetery.

Espsville News

ESPSVILLE—David Jenner of Marion was a visitor in Espsville Thursday.

Orville Hobenz of Lallie spent the week end with his parents, Mr. and Mrs. J. J. Hobenz.

Mrs. Fred Seagrass is ill at her home.

Mr. and Mrs. Howard Jenner, Rev. Grace Nitten and Miss Della Foster of Mt. Victory spent Wednesday with Mr. and Mrs. Howard Jenner.

Mr. and Mrs. Homer Fritz were guests at the home of Mr. and Mrs. Frank Foster of near Meeker Sunday.

Mrs. J. J. Hobenz and Dorothy Toblena were visitors Thursday at the home of Mrs. Maude Iron of near Agoston.

Mrs. Marlin Hecker of Mansfield spent the week end with her sister, Mrs. Dorothy Pollock.

Mr. and Mrs. Homer Douce and children, Dale, Donald, Warren and Grace of near Big Lake were Sunday dinner guests at the home of Mr. and Mrs. Howard Jenner.

Mr. and Mrs. Carl Loucks and sons, Elmer and Marley spent Sunday with the latter's parents, Mr. and Mrs. Frank McCarter of Nevada.

Mr. and Mrs. Jay Miller and son, Richard were visitors Sunday at the home of Mrs. Jane Miller of near Meeker.

Mrs. Linn Brady is ill at the Dan Brady home.

Mrs. Grace Hoch was a Marion visitor Monday.

If you do not take first class accommodations on Norwegian trains you will find the second is exactly the same except that the first class passenger has a two passenger compartment for his sole use. Second class sleeping cars correspond to a drawing room in the American Pullman.

HEALTH TROUBLES
BANISHED BY USE
OF NEW KONJOLA

Every Form of Health Trouble Completely Banished By New Konjola

MISS EMILY FAYNE

Konjola is a wonderful medicine. It restored my 17 year old daughter's health, said Mrs. H. A. Fayne, 210 High School Lane, Marietta, Ohio.

My daughter Emily was sick for over a year. She suffered mostly from stomach and intestinal troubles. Any food she ate caused reactions and brought on nervousness. The pain in the intestines grew worse and caused her to often cry out and pass a few sleepless nights. She complained of terrible headaches and dizziness and pains in her back. Proper rest and sleep were almost impossible. She spent many a night in a room and tears and anguish began to be one random and lose weight.

I was worried over her as every remedy we tried only gave her temporary relief. And then I read about Konjola. A miracle seems to have taken place. Relief came after the second bottle. She began to eat a full meal and food did not disturb her. After the third bottle her health troubles vanished. In one, two and now she is gaining weight and feeling better every day. I think it is a wonderful medicine and can not praise it enough.

Konjola is superior to any other known remedy in this section. It contains twenty-two pure, extracted from natural plants which combine to make a much more effective remedy than any other. The effect of the Konjola on the system brings amazing relief in cases of suffering that have been chronic for years. At the same time many weak and run-down persons have been restored to a new state of health through its compound. So on a vast number of men and women in this city have found the answer to their troubles with this new medical product. Until now Konjola is the most highly endorsed medicine that is known in this section.

Konjola is sold in Marion at Simpson & Sons Pharmacy, 211 E. 11th St. The best druggists in this section.

STEARN'S - KNIGHT STRAIGHT EIGHT

One of the most powerful eight cylinder cars on the market. Developing 120 horse power will be on display.

Rarely in these days of comprehensive competition is it possible for any concern to attain a position where it need not share its accomplishments with contemporaneous factors in the industry.

Yet the Stearns-Knight car has advanced from one achievement to another, strictly by its own forward thinking and clear vision of what the ultimate American car should possess.

Following to be held at the place to be announced later.

Come To The Automobile Show

Third Annual Display of Whippet Fours and Sixes, Willys-Knight and Stearns-Knight Motor Cars

Thursday, Friday, Saturday, March 7th, 8th, 9th

At this Automobile Show you get a glimpse of the New the Finer the Modern in Motordom. Seventeen models will be on display ranging in price from \$185 to \$5,830. Our salesrooms are beautifully decorated and our representatives will be present to explain the new improvements of the year. Featured in this display will be:

Superior Whippet Fours

The Superior Whippet is the first car to offer the new Finger Tip Control—a single built in conveniently located in the center of the steering wheel which controls all functions of starting the motor, operating the lights and sounding the horn.

The Whippet Four offers graceful lines—rich colors—spacious interiors—distinctive appointments—all at the lowest cost. Further artistic improvements include one piece enamel molding and paneling, chromium plated radiator shell and head lamp doors, beautiful silvered hand and foot pedals, large 12 inch heavy running boards, two tone four instrument panel and other modern features.

Modern Whippet Sixes

The new Superior Whippet Six in every body type has a grace of line a richness of color and an artistry of finish such as have never before characterized inexpensive cars. Creative talent of the highest order is combined with painstaking care and attention to detail—and the new Superior Whippet Six from the fundamentals of design and construction to such details as hardware, instrument panel, running boards and hub caps is a car you will be proud to own.

New Willys-Knight Sixes

For smartness of line, richness of color and perfection of detail the new style Willys-Knight Six can be compared only with the most expensive custom built cars. It is shown to the minute. Its beauty of design makes it the outstanding creation of today's style specialists.

This new style Willys-Knight Six is the largest, most beautiful and most powerful Willys-Knight ever offered at so low a price—a price made possible only through quantity production, improved manufacturing and merchandising methods and volume sales.

Willys-Knight Motor Trucks

The thoroughly modern Willys-Knight truck models are new only in that they bring together new combinations of proven mechanical units to produce well balanced sturdy trucks constructed superior in all respects.

Exhaustive tests under actual road conditions were made before final engineering approval was given to the design of Willys-Knight trucks. Sensing the truck operator's problems, the aim in design and choice of materials has been to build Heavy Duty Trucks ranging from one ton to two and one half tons in size.
